State of the District, 2014 - 2015

HISTORY

In the Spring of 2005, Laramie adopted a holistic, community driven approach to revitalizing traditional downtown commercial cores developed by the National Trust for Historic Preservation, now the National Main Street Center. One of the original pilot communities in Wyoming, Laramie has documented growing success by utilizing the Main Street Four Point Approach. By focusing on not only the needs of local businesses in the district, but also the character and maintenance of the historic structures where businesses reside, as well as nourishing the unique social qualities of the district, the Laramie Main Street Alliance (LMSA) has spurred a renewed interest and growth in downtown Laramie.

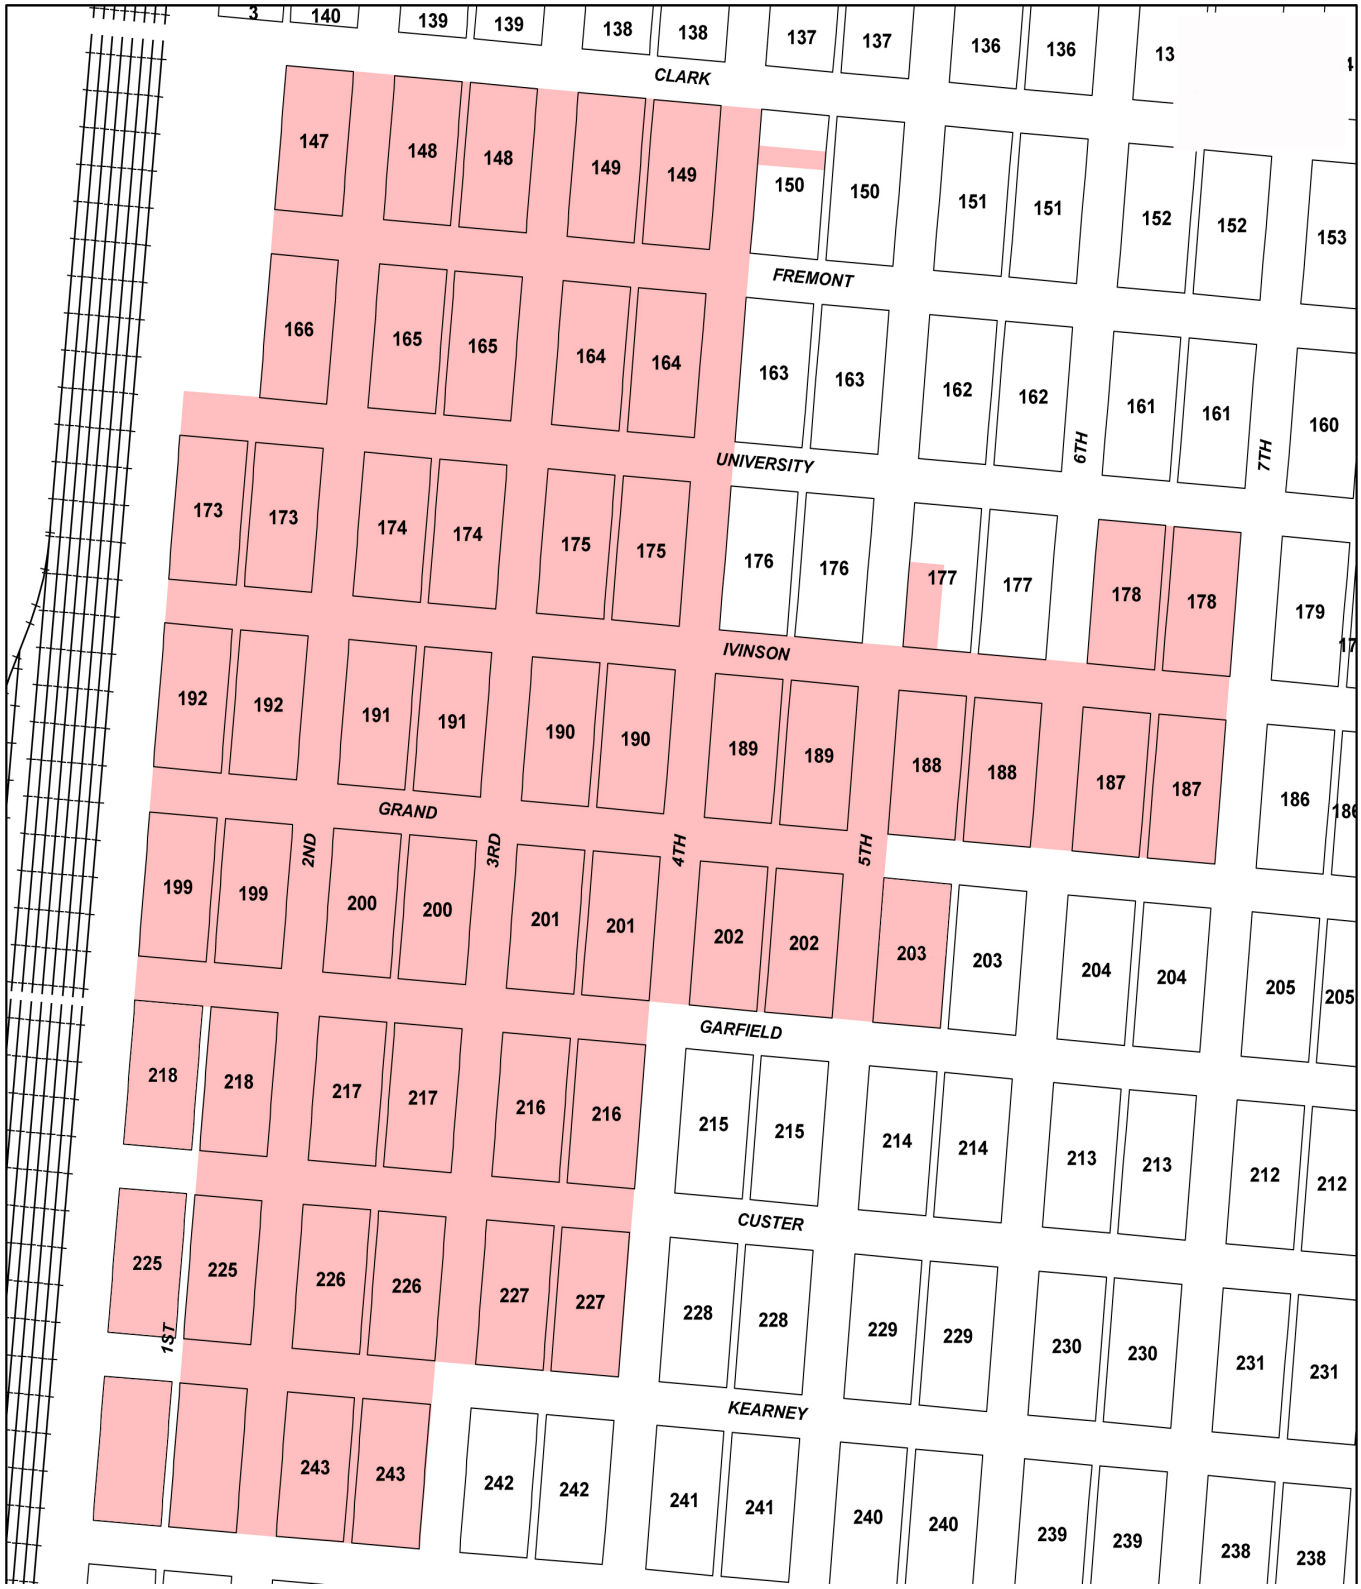
MISSION

Laramie Main Street Alliance strives to preserve historic downtown Laramie while enhancing its economic and social vitality. As a 501 (c) 3 not-for-profit, our services are FREE for any business or building owner in the Downtown Development Authority district.

VISION

It is our vision that downtown Laramie will be an attractive, vibrant destination for community residents and visitors. That downtown will offer ample dining, shopping, living, entertainment and cultural and educational opportunities while remaining a welcoming, pedestrian-friendly neighborhood. The downtown will reflect the civic, academic, economic, social and cultural vitality of the entire community while highlighting the historic quality of its traditional architecture and railroad history.

The Downtown Development Authority District



APPROACH

Working within the four key areas of downtown revitalization, we have created and coordinate with the following volunteer driven committees:

ORG	The **ORGANIZATION** team is charged with bringing resources, both manpower and financial, into the program. Through fundraising initiatives, outreach, communication and events, the ORG committee acts as the human resources arm of Main Street.
DESIGN	The **DESIGN** committee works to make visual improvements to downtown through good design compatible with historic features. As requested, the Design team works with the City of Laramie Planning Department to review downtown improvement projects as new construction and renovations occur.
ECONOMIC	The Downtown Development Authority, who recently merged with our **ECONOMIC RESTRUCTURING** team, helps existing businesses grow and expand, recruits new businesses into the district and revitalizes underutilized properties.
PROMOTION	Our **PROMOTION** team tells the story of downtown through focused branding strategies and enhances the image of downtown through special events, traditional and social media marketing.

GOALS

The board recently reviewed its core goals to provide a common vision to guide our services and revitalization efforts downtown.

- Strengthen community pride of the downtown and its role as the central business district and increase sustainable commercial activity in the downtown for the benefit of Laramie and Albany County.
- Make the traditional downtown a vibrant, attractive heart of the community.
- Enhance the image of downtown as a lively, dynamic destination while incorporating the rich history of the city and its downtown core.
- Increase awareness, support, and inclusion of downtown property owners, residents, businesses, volunteers and committees to pursue a common vision for future downtown improvements and the Laramie Main Street Alliance's overall mission and vision.
- Create a sustainable revenue source to support all the goals of the Laramie Main Street Alliance.
- Continue to implement the 2012 Downtown Development Plan.

PRIORITY PROJECTS

For our 2014 - 2015 fiscal years, the board developed a set of priority projects based on our 2012 Downtown Development Plan and feedback from the community.

1. Redevelopment the former Empress/Fox Theater lot
2. Finish installation of the artistic, yet function bike racks
3. Support for more public art
4. Lay groundwork for improvements to Third Street
5. Grow our Façade and Second Story Redevelopment Grant program to provide additional resources to private property owners wishing to make improvements to their buildings.

PROJECTS IN THE QUEUE

6. Finish installing lights downtown that create ambiance and welcome shoppers
7. Redevelopment of additional underutilized or abandoned space downtown (like the collapsed building at 404 S. 2nd Street)
8. Improve parking downtown
9. Offer support for multi model forms of transportation downtown
10. Strengthen our promotions to attract more shoppers into the district and into local businesses
