

ALBANY COUNTY MULTI-HAZARD MITIGATION PLAN
ADOPTION RESOLUTION

WHEREAS. Albany County, Wyoming, and municipalities therein, have the potential to experience disasters that can damage commercial, residential and public properties, displace citizens and businesses, close streets and bridges dividing the County and municipalities, present general public health and safety concerns; And

WHEREAS, the County and municipalities have prepared a Multi-Hazard Mitigation Plan that identifies goals and mitigation actions to reduce overall impact and potential for loss of life and loss or damage of property from natural hazards and hazardous material incidents; And

WHEREAS, the Albany County Multi-Hazard Mitigation Plan has been made available for review by elected officials and the public, and has been developed to meet current state and federal requirements:

NOW THEREFORE, BE IT RESOLVED THAT:

- 1- The Albany County Multi-Hazard Mitigation Plan is hereby adopted as an official plan of Albany County and all of its incorporated municipalities including, Rock River and Laramie.
- 2- The Board of County Commissioners delegates the responsibility for annual review and monitoring of implementation to the County Emergency Management Coordinator.
- 3- Each local government shall pursue implementation of the projects contained in the plan as resources allow.
- 4- Each local government shall consider and incorporate into other plans, elements of the Multi-Hazard Mitigation Plan as appropriate.
