- Upon completion of the required Private Improvements identified in Exhibit A, the Developer may apply for the release of security in proportion to the relationship between the completed and approved work and the total of required improvements.
- Upon completion of the required Public Improvements identified in Exhibit B, The amount of the security for the warranty period shall be twenty five percent (25%) of the approved City Engineer's estimate for the improvements. The posted twenty-five percent (25%) security may be reduced to twelve and one-half percent (12.5%) on or after the one-year anniversary date of the original posting of the security, upon written request of the developer and inspection and approval of the secured improvements by this department, with the difference to be refunded to the developer following approved inspection of the Improvements. (LMC 15.18.060).
- Delayed Public Improvements shall require approval by the City Council prior to completion of this form. Delayed improvements shall be completed by the developer no later than 15 years after the signature of the agreement by the Mayor. (LMC 15.18.110.B)

The security and improvement deferral agreement shall run with the land and bind all successors, heirs and assigns of the Developer. The agreement will be approved by the City of Laramie and shall be filed with the city clerk.

IN THE EVENT THAT A DEVELOPER IS REQUIRED TO CONSTRUCT PUBLIC IMPROVEMENTS THAT BENEFIT SUBSEQUENT DEVELOPERS, THE ORIGINAL DEVELOPER IS ENTITLED TO BE PROPORTIONALLY REIMBURSED FOR THE COST OF THOSE IMPROVEMENTS. AGREEMENT INFORMATION

1. The applicant, or representative, shall file this agreement with the Planning Division, 405 East Grand Avenue, Laramie, WY 82070.
2. The following documents are to be submitted at the time of filing:
 - a. **Application Form.** Filled out in its entirety, with appropriate information deemed necessary by the Applicant.
 - b. **Application Fee.** The applicant must pay the applicable fee at the time of application. (Fee as of April 9, 2015 - \$0)
 - c. **Pertinent Exhibits.** Each application is often unique, so there is not a specific list of information required. The Development Completion Agreement consists of 4 exhibits and an acceptable financial security. In most case, not all exhibits will be required. Below is a summary of exhibits (see subsection d. below). If you have any question as to whether or not a specific Exhibit is required for your development, please contact your case planner.
 - i. **Exhibit A.** This indicates out what private on-site improvements are being delayed. This could include items such as landscaping (grass, trees, groundcover), fencing, gazebos, internal sidewalks, etc. The Exhibit is required to show a unit cost of all items delayed and an estimated cost for installation. This is typically prepared by a professional.
 - ii. **Exhibit B.** This indicates out what public improvements are being delayed. This could include items such as street paving, curb/gutter/sidewalk, utility diamonds within the roadway, removal of service lines, installation of street lights, stop lights, etc. The Exhibit shows the unit cost of all Public Improvements that are not complete. Quantities are prepared by the Developer and reviewed and approved by the City Engineer. The City Engineer will assign unit and labor costs for each item.
 - iii. **Exhibit C.** This indicates out what Public Improvements are being delayed for a time period of up to 15-years. All Delayed Public Improvements require approval by the City Council prior to submittal of this form. Delays could include items such as street paving, curb/gutter/sidewalk, installation of street lights, stop lights, etc. The Exhibit shows the unit cost of all Public Improvements that are not complete. Quantities are prepared by the Developer and reviewed and approved by the City Engineer. The City Engineer will assign unit and labor costs for each item.
 - iv. **Exhibit D.** In the event the developer constructs Public Improvements that benefit another property owner or they are entitled to reimbursement by the City for oversizing they will attach this exhibit which will identify each parties proportionate cost. For example, if a developer builds a Collector Street adjacent to their development, they may be eligible for reimbursement for a portion of the street from the benefitting land owner across the street in the future or reimbursement from the City for oversizing.
 - d. **Financial Security.** Pursuant to LMC 15.18.080.b.4 acceptable security is required to be in the form of: **Cash, Cashier's** or **Certified Check**, or **Bond**. Pursuant to LMC 15.18.080.B.3 a financial security shall be 150% of the estimated costs of materials and labor costs.
3. City Staff reviews the agreement and submitted materials, and if complete, issues the Temporary Certificate of Occupancy for a specific time period not to exceed a year.
4. All improvements shall be completed within the staff approved time frame. At the request of the Developer, the City at its discretion, may extend or renew the expiration date for any Temporary Certificate of Occupancy; provided, however, that no Temporary Certificate of Occupancy, whether original, new, extended or renewed, shall not exceed one (1) calendar year from the date the initial Temporary Certificate of Occupancy is issued by the City. Failure to obtain a Certificate of Occupancy within the City approval period shall require vacation of the building. If occupied without a valid Temporary Certificate of Occupancy or Certificate of Occupancy, the property owner shall be subject to the enforcement provisions of LMC Chapter 15.26 and daily fines not to exceed \$750 / day.
5. Applications can be submitted anytime during normal office hours.
6. The review of the agreement and issuance of a Temporary Certificate of Occupancy is typically complete within one week of receipt of this agreement.
